SCHOOLING AND EDUCATION

In the past months newspaper articles have indicated that many people in high places are greatly concerned about the relationship between schooling and employment. In our Windsor area, over two-thirds of the unemployed did not stay in school beyond Grade 8. Only 4% of the unemployed have a High School education—or better. It is reasonable to suppose, therefore, that many of those who are unemployed are handicapped by a lack of schooling.

This does not mean that all who complete a High School course will be assured of regular employment. It does mean that the graduates have a much better chance.

We must be careful, however, not to confuse schooling and education. Time and again we hear parents say, "My boy (or girl) must stay in school, there is no chance for those who leave early." That suggests that there is some magic about staying in school.

The fact is, the boy (or girl) must learn to work in school, must make his school program an educational program, if he wants to be assured of getting value from his schooling. There is no "royal road to learning." The proof of education is demonstrated in ability to lead a useful, happy life; the necessary foundation of integrity, good judgment, and industry must be developed in school years. Otherwise the result will be schooling, not education.

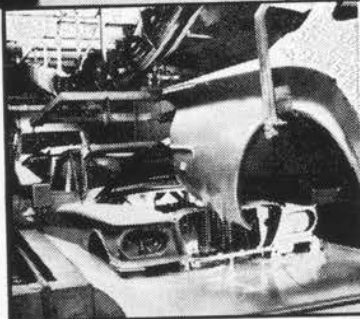

SOLID, MAN, SOLID!

AFTER A TOUR THROUGH THE ASSEMBLY LINES, BILL WEAVER TELLS THE GANG ABOUT CHRYSLER CORPORATION'S NEW WAY TO BUILD CARS — **UNIBODY CONSTRUCTION!**

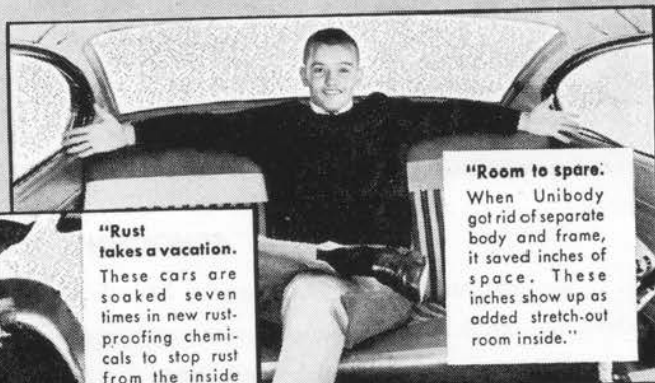

"Twice as strong."

New Unibody is built to last longer than most people drive a car. It's a solid, welded unit that's twice as strong as cars built the old way."

"Rust takes a vacation."

These cars are soaked seven times in new rust-proofing chemicals to stop rust from the inside out. The lower body, where road salt and gravel do their worst, is sealed off with a special primer."

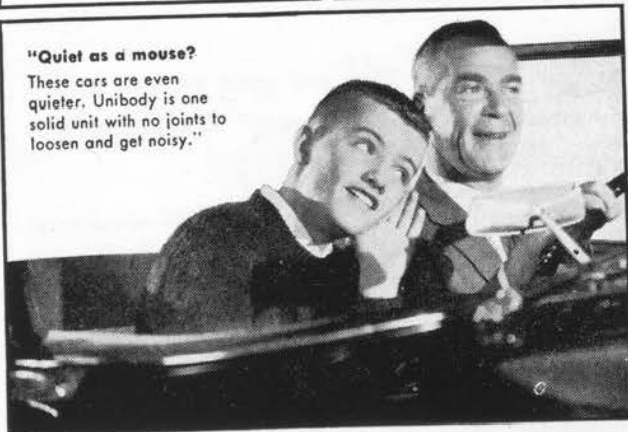

"Room to spare."

When Unibody got rid of separate body and frame, it saved inches of space. These inches show up as added stretch-out room inside."

WHY NOT SEE FOR YOURSELF WHAT IT'S LIKE INSIDE A CAR BUILT THE UNIBODY WAY? ASK YOUR DAD TO STOP BY THE DEALER'S WITH YOU, AND LET A DRIVE BRING OUT THE DIFFERENCE GREAT ENGINEERING MAKES.

"Quiet as a mouse?"

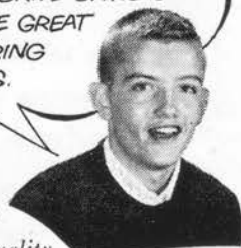

These cars are even quieter. Unibody is one solid unit with no joints to loosen and get noisy."

"SUCCESS IS THE ULTIMATE REWARD OF PREPARATION, MEDITATION, AND DEDICATION"

I find this message true in every phase of life. A worthy goal can be honestly achieved by conscientious preparation, silent meditation, and complete dedication. Indeed, this motto can be applied from the fulfillment of daily menial tasks to the realization of God's master plan.

And so it is with this yearbook, *The Blue and White*.

The preparation of the yearbook has entailed long hours of hard, sometimes discouraging, but always gratifying labour. Our very capable advisor, Mr. Haggert, deserves praise from all the students for his encouragement and guidance. As well as to Mr. Haggert, well-deserved thanks are extended to our advertisers and patrons, Mr. Brown and the teaching staff, the secretaries, the Bunts for their photography, and to the Walkerville Printing Company Limited and Mr. Clark. A mere "thank you" is insufficient in summarizing the great esteem of the Blue and White staff.

There is in this yearbook a host of silent prayers; on each page is the work of many students. My heartfelt thanks go out to my enthusiastic staff. Fran Shaw deserves special praise for the work she has done on advertising this year.

To the graduating class, the executive extends its best wishes for success in the future. May this yearbook help them to recall and cherish their pleasant memories at Walkerville Collegiate.

As you view the product of our "preparation, meditation, and dedication," we trust you will feel that we have, in some small measure, achieved success.

And now to you, our reader, we dedicate the 1961 *Blue and White*.

AGORA

The new Agora Executive went into its first meeting a few hours after the school election results were announced. At this meeting, the 1960-61 Agora Executive elected its inner executive. Jack Cowin and Cherie Harrison were elected vice-president and secretary respectively.

A record-breaking sale of Agora cards enabled Walkerville to become the first school in this area to adopt a foster-child.

Constantine, a small, six-year old boy from a tiny village in Greece, became our foster-child in November. Letters and small amounts of money have been collected and sent to Constantine under the able direction of Kathy Gale.

The annual Gamblers Gamble was a tremendous success this year, largely due to the many hours of hard work put in by Barbara Norwood and her social committee. Variation from the traditional blue and white decorations was achieved by the use of yellow, turquoise and white streamers.

Soon Christmas arrived. Jack Cowin was busy making last-minute arrangements for the Graduation

ceremonies. Due to his efforts, an enjoyable evening was had by all, especially the graduates.

The Honour Society, which was set up last year to honour athletic and scholastic achievement, welcomed its first member, Lynn Craig.

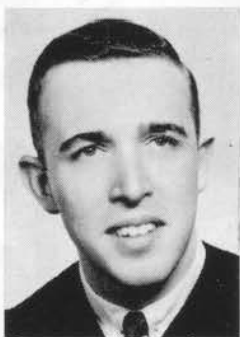

Walkerville had the distinction of giving the largest donation of the Windsor and district schools to both the UNICEF and Red Feather campaigns.

The annual Activities Night held on April 6, was well attended and enjoyed by all. Mr. Sid Levine provided the dance music for the Sock Hop.

I would like to take this opportunity to thank Mr. Brown, Mr. Nighswander, Mr.

Burr and my Inner Executive, Jack Cherie, Elizabeth Meanwell, Barbara and John Smith, for the confidence they have shown in me and the help they have so freely given.

On behalf of the Agora Executive, I would like to thank the student body for their support throughout the year, for without them the efforts of the Agora would be futile.

BOB MAHAITS *President*

GRADUATION

This day we leave, to come no more
Into these hallowed halls of lore,
Where knowledge gained shall ne'er be lost
For many hours of work it cost—
Though different paths we tread.

To some it means the end of toil
O'er worthy books, by midnight oil.
To others it is but a start—
A joyous step with prayerful heart
In this great game of life.

As we recall the years gone by,
The way that all, with spirits high
Gained one dear gift—a love
Of learning—for this above
All else, is why we came.

The cheers that rang about the gym,
The silent prayers, the holy hymn
The fear of "finals" that in us grew
Are not forgotten for they too
Rest deep within our hearts.

The lasting friendships that we made,
The work not done (for which we paid)
Are memories which we'll cherish still
As each, God's purpose does fulfil
On this great earth of ours.

But to our teachers the most we owe,
They strove in every way to show
That by hard work we may succeed—
Attain all things we want and need
For a rich and joyous life.

AN ADDRESS FROM THE HEAD GIRL TO THE GRADUATING CLASS

We the young people are gathered here on this earth in a time of need in our country. During the two Great Wars, we reached the very depths of decadency. In the past fifty years, civilization has advanced in leaps and bounds in electronics and engineering. Now we are on the brink of a new era, the atomic age.

Today more is required of youth than at any other time in history. Those graduating in this the year of our Lord, 1961, will be transformed from young people to world leaders of tomorrow. It is up to us to maintain a policy in this country which will be beneficial to all. We can choose between a great peace between all nations, thereby risking all inspiration for progress, or launch ourselves into a war which would bring total annihilation to mankind. Thus you can appreciate the great burden placed on our shoulders.

It is with this in mind that I urge you to experience life to its fullest. Each day find something new in experience, something exciting in life, if only for a fleeting second. This is the way each individual personality will grow, every community will thrive and a complete civilization will advance to success. The fate of this world depends on us.

THE BLUE AND WHITE

Three cheers to thee, beloved school,
Collegiate we so revere,
To all the world thy praise we'll tell,
Of thy virtues all will hear.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

Chorus . . .

Collegiate of our hearts, a song to thee we'll raise.
Our Alma Mater dear we'll shout afar thy praise.
Colours of Blue and White, we'll keep thy standards
high.
Collegiate of our hearts, we'll love thee till we die.

In basketball, on soccer field,
Debating and all the rest;
In sports and academic work
You rank among the very best.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

Fond memories and thoughts of thee,
Shall e'er our hearts abide.
Dear Walkerville thy name shall we
Cherish with abundant pride.
Dear Blue and White, dear White and Blue,
Our loyalty we pledge to you.

SENIOR GIRLS' VOLLEYBALL TEAM

The Senior Girls' team was not as successful as the junior team, but they tried hard. Bonnie Goodrich was the team captain. Miss Shillington did a fine job of coaching both the senior and junior teams.

JUNIOR GIRLS' VOLLEYBALL TEAM

This year the Junior Girls' Volleyball team made a very good showing. They were tied for first place with Herman Collegiate, but as there is no W.O.S.S.A. for junior girls, there was no play-off game. The team captain was Lynn Glendon.

JUNIOR GIRLS' VOLLEYBALL

Second Row: Miss Shillington, Penny Walton, Joan Ramin, Ann Topping, Sandra Knight, Karen Benarski, Jean Thompson, Susan Rossi.
First Row: Nadine White, Mary McGregor, Lynn Glendon, Laurie Levine, Lynn Wood.

GIRLS' BOWLING

Second Row: Connie Mangos, Linda George, Joyce Carter, Barbara Lossing, Lynne Meikle.
First Row: Carol Hedgewick, Barbara Norwood, Barb Keith.

BOWLING

This year's team was small but successful. The girls bowled both five and ten pins every Monday night from October 10 to December 19 at the Palace Bowling Alleys.

Top scorer was Linda George but Barbara Marshall was a close runner up.

Composing the top team was Linda George, Lynne Meikle, Barbara Keith, and Barbara Marshall. Their average was 105.

We hope to see more girls bowling next year.

GIRLS' SWIMMING 1960-1961

This year the girls' swimming team was not as successful as in former years, but our girls captured more points in the style events than any of the other schools.

The girls would like to thank Mrs. Rogers who did an excellent job of coaching and assisting.

In the Junior division Diane Walker placed 5th in free style. Linda Rider placed 4th in butterfly. Mary McGregor and Joan Ramin placed 2nd and 3rd respectively in the style competition.

In the Senior division Barbara Weeks placed 4th in butterfly and 3rd in breaststroke, and Judy Boyd placed 4th in the latter event. Marg Macdonald placed 2nd in the style event. Both senior relays placed 3rd.

Kneeling: Nadene White, Susan Rossi, Jean Thompson, Judy Hewlett.

GIRLS' BASKETBALL

The 1960-1961 Senior Girls' Basketball team went through the schedule with only one defeat. This was during the Semi-finals and the score was close. The team came back in full swing in the Finals at St. Denis Hall and beat Commerce. Walkerville may well be proud of the Senior Girls' team.

Cherie Harrison (forward)—Cherie played well this season and could be counted on for her free throw shots.

Beth Neely (forward)—Beth brought the score up in many cases with her constant under-the-basket shooting.

Faye Urban (forward)—Faye played very well and helped in tight spots with her long-ranged shots.

Lynne Craig (forward)—Lynne played well this season and was a great asset to the team.

Bonnie Goodrich (guard)—Bonnie played a great season. She was an asset to the guard line.

Barb St. Louis (guard)—Barb played very well this season and moved the ball down the floor quickly.

Lynne Glendon (guard)—Lynne played a good season. She played the ball very well in many tight spots.

Jeanne Thompson (guard)—Jeanne played well this year and played with team spirit.

Other Members—Without the substituting players who worked very hard, the team could not have been wholly successful.

Thanks to Judy Garinger and Pat Thompson for scoring and timing the games.

The team would also like to thank Miss Shillington for her excellent coaching, judgment, and understanding. A great coach—the Best!!!!

First: Mary Ellen Reid, Lili Shery, Gladys Manser, Harlene Allchin.

GIRLS' INTERFORM VOLLEYBALL 1960-1961

This year's interform volleyball schedule ran quite smoothly. The tournament began on October 13 and ended November 7. Nine A-H are the winners of the Junior school, and the thirteen's are the winners of the Senior school. A very close game determined the thirteens as the champions of the school. A small "W" and bar were distributed to the winners of both the Junior school and the Senior school at the Christmas Assembly.

JUNIOR INTERFORM VOLLEYBALL

Second Row: Maril Wiseman, Mary Koteles, Diane Coffield, Diane Gravel, Diane Giles, Betty Rajki, Vicky Affleck.

Second Row: Sharon Krokus, Sharon Eckmier, Dorothy Jenich, Carol Findlay, Mary Gibb.
First Row: Rita Savchetz, Carol Simpson, Pat Thompson, Andrea Findley, Marlee Percival.

INTERFORM BASKETBALL

The basketball tournament went very well this year. We had one of the best turn-outs yet, with the majority of the teams being Grade Nines. All teams, both senior and junior, displayed very good sportsmanship at all times. The senior and school champion team was 12A with Pat Thompson as captain. Beth Sneddon led her team, 9A to the Junior championship and very nearly upset 12A for the school championship.

JUNIOR INTERFORM BASKETBALL

Second Row: Diane Coffield, Maril Wiseman, Pauline Ivanoff, Mary Koteles.

First Row: Pete Gieswein, Faye Urban, Marilyn Lodge, Penny Walton, Sharon Sanderson, Laurie Levine.

TENNIS

Despite the lack of players for the W.S.S.A. tennis tournament, those who participated lived up to Walkerville's record. Special congratulations are in order for Faye Urban who successfully defended her W.S.S.A. and W.O.S.S.A. championship for the second year.

BADMINTON

This year's team is quite small but under Mr. Krause's leadership, we hope to shine through at the W.S.S.A. tournament at Kennedy at the end of April. A few of the students entering the tournament are Dave Lawson, John Mahon, Lynne Craig, Barb Mooney, Doug Gordon, Marlee Percival, and Barb St. Louis.

WALKERVILLE CORAL DIVERS

Walkerville Collegiate is the first school to have a skin-diving club. The majority of our club only owns masks and fins but the purchasing of aqua-lungs is being increased and slowly we are becoming more serious about the sport and our club. We hope that possibly other schools will form clubs of their own. The club offers a challenge to any young teenager wishing to seek adventure.

CHEERLEADERS

As usual, our cheerleaders, in their bright plaid skirts and white sweaters were ever present at all football and basketball games. During the year cheer-rallies were held at which time new cheers were introduced. Congratulations to the cheerleaders for their faithful practice and attendance at games and to Mrs. Lawson and Marlene Wilkins, captain, who encouraged the team.

President

BOYS' ATHLETIC ASSOCIATION—1960-1961

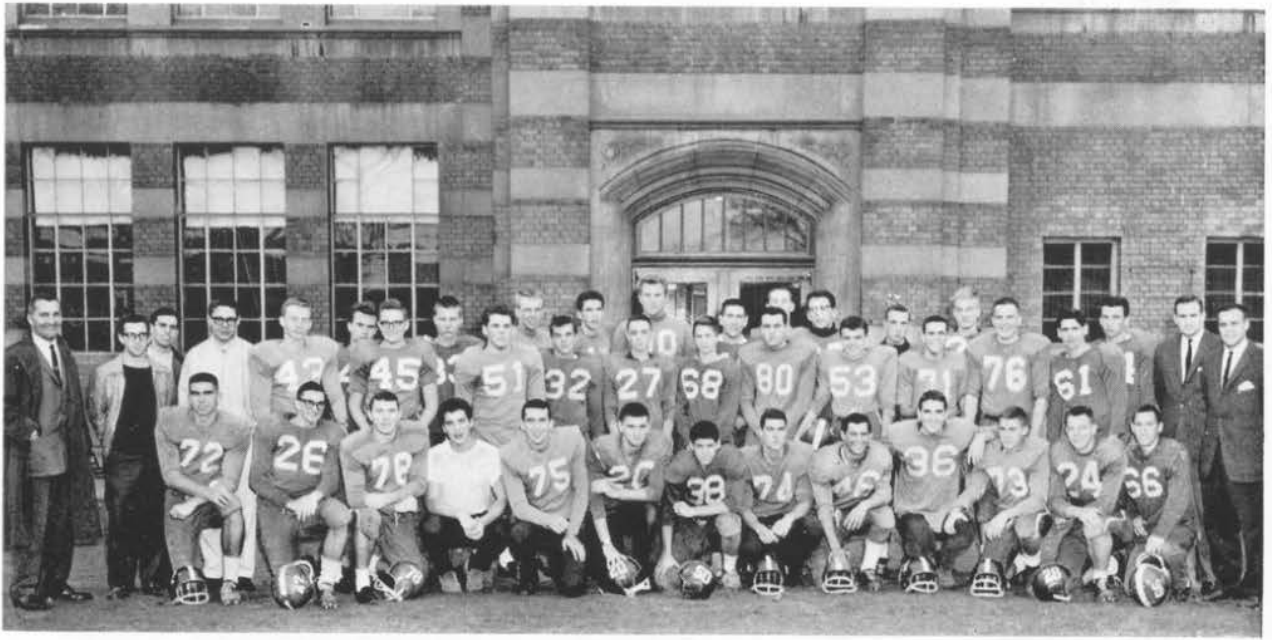

The B.A.A. is chosen from athletes in various sports throughout the school to aid the Athletic Director with the sports program. They manage to support the teams financially by sponsoring dances in order to buy new equipment.

A great deal of thanks is due to the various coaches for making the sports a tremendous success this year at Walkerville Collegiate.

B.A.A.

Third Row: Harley Smith, Doug Gordon, Bob MacLeod, John Cmar, Ed Kuntz, Frank Ilijonic.
Second Row: Bill Gala, Tom Tomlinson, Ron David, Bob Cunningham, Jim Soltis, Wayne Pohlman, "Killer" Kilpatrick.
First Row: Pete Gieswein, Mr. Allison, Paul Newman, Jack Cowin, Mike Weeks, Wayne Wright.

FOOTBALL

Second Row: Mr. Marchini, Mike Weeks, Gord Stewart, Wayne Pohlman, Frank Walton, Bob Radovich, Don Brown, David Hnatiuk, Doug Stewart, Lloyd Gilbert, Ron Shulgan, Ken Dafeo, Doug Ladore, Leonard Chop, Rusty Wright, Ed Kuntz, Art Stryshin, Ken Rusling, Sam Ivanoff, Ivan Robich, Robert Anderson, Tom Tomlinson, Jim Gray, Bill Nicholl, Don Gardner, Paul Kosteniuk, Mr. Kinnin, Mr. Karcz.

First Row: Paul Newman, Bill Gala, John Smith, Bob Punga, Jack Cowin, Doug Copeman, Jim Soltis, D'Arcy VanNest, Frank Ilijanic, "Killer" Kilpatrick, Wayne Wright, Jerry Gray, Jim Trofin.

FOOTBALL 1960

Walkerville's football followers no longer have to say, "Wait till next year" for this was "next year." Mr. Karcz blended newcomers Doug Copeman, John Smith, Jim Soltis, Art Stryshin, and Frank Ilijanic with returners Jack Cowin, D'arcy Van Nest, Mike Weeks, Wayne Wright, Tom Kilpatrick, Paul Newman, and Bob Punga to produce Walkerville's first winning team since 1956. With Doug Stuart, Bill Gala, and Frank Ilijanic carrying the ball the Tartans rolled to a fine 4-2 record. In their bid for a championship playoff berth, the Tartans were stopped by a 17-7 count to Assumption. Standing out for Walkerville was co-captain Jack Cowin who was named to the All-Ontario first team. Wayne Wright and Frank Ilijanic gained second-team All City mention. The team would like to extend thanks to Mr. Karcz who was ably assisted by Mr. Marchini and wish him the best of luck in future years.

BOYS' VOLLEYBALL

Second Row: Ivan Kernisky, Willy Mlacak, Wayne Henderson, Mr. Saffran, Don Routliffe, Tom Baker, Earl Dafoe.

First Row: Bill Bervice, Bob MacLeod, Roy Andrichuk, George Zeleney, Gerry Kwapisz.

1960 VOLLEYBALL

This year's team, under the coaching of Mr. Saffran, got off to a slow start in the first part of the season, but started rolling in the latter part. After losing the first four games we wound up the eight game series by winning the last four. We barely missed getting a final playoff berth and surely would have given the other teams stiff competition if we had met them. Next year we will have the entire team back and we are sure to do better than this year.

CROSS COUNTRY

Second Row: Harley Smith, Paul Corbett, Mike Wilton.

First Row: Fred Crew, Guilio Rossi, Rick Boyd, Eric Kehl, Ian Hooley.

CROSS COUNTRY

Although the cross-country team worked vigorously in training they were unsuccessful in their bid for top honours. Again Mr. Allison had a young team which lacked the needed experience of a champion. Nevertheless, the boys did their best and finished a solid third behind the strong Kennedy and Commerce teams. Members of the starting team were Guilio Rossi, Harley Smith, Eric Kehl, Fred Crew, and Rick Boyd. In this event Guilio Rossi and Harley Smith placed fourth and fifth respectively. Only three runners, Ian Hooley, Paul Corbett, and Mike Wilton ran in the second race but all finished strongly.

Next year, under Mr. Allison's capable coaching the team should make a strong bid for the championship that they won so consistently only a few years ago.

BOYS' HOCKEY TEAM

Third Row: John Smith, Tom Tomlinson, Ward McDonald, Bruce Clarke, Gary Fairthorne, Jim Trofin.

Second Row: Ron Goletski, Bob MacLeod, Jim Soltis, Bob Meredith, Jim Stewart.

First Row: Ken Hawkeswood, Earl Dafeo, Mike Spence, Fred Crew, Mr. Saffran.

HOCKEY REPORT

Following an absence of one year from the W.S.S.A. Hockey League, the Walkerville team reappeared on the league ice once again. The response was very enlightening, making next year's appearance quite probable.

Many students trying for the team had to be turned away to keep the team at its required quota of players. Those who were rejected will have their chance to try once again next hockey season.

Very few players from the season of 58-59 were back with the squad, although Mike Spence and Ward McDonald returned as forwards. These two along with Gary Fairthorne, Jim Soltis and the rest of the hard-driving forwards pressed hard for every goal they scored. Fred Crew and John Smith in their defensive positions stopped the oncoming attacks of the opposing team magnificently. The player that managed to slip past the defense was foiled almost every time by the outstanding goal-tending of Bob MacLeod and Tom Tomlinson.

Without the able assistance of Mr. Saffran, there might not have been a Walkerville Hockey Team this year. From the members of the team and the student body, our sincerest 'thanks' to you, our 'Mr. Hockey'.

GOLF 1960-61

This year, the golf team was again coached by Mr. Saffron. Five boys were selected for the team after two rounds of elimination at Little River.

The boys got the afternoon off for the tournament, which was held at Lakewood. Walkerville tied for third place, paced by Doug Gordon's 77.

We all hope that as many boys will turn out next year, as they have in the past, since the team always has a lot of fun.

GOLF

Second Row: Doug Gordon, Bob Sneddon, Tom Baker.

First Row: Mike Nenadovich, Bob Meredith, Mr. Saffran, Bryan Keen.

SOCCER TEAM

Back Row: Mr. W. Young, John Dienesch, Robert Stark, Arif Hasnain, Joe Fuduric, John Hyslop, Zoltan Veghelyi, Craig Hall.

"THE RIGHT EQUIPMENT FOR EVERY SPORT"

SOCCER

The Walkerville soccer team this year completed the regular season in second place a point in front of Kennedy and three points back of the league leading Lowe squad. Walkerville lost its only game against the Lowe team 3 to 2 as Lowe scored the winning goal late in the fourth quarter after Walkerville had rallied to knot the score 2 to 2. Walkerville had little trouble with the rest of the league, tying Kennedy 3 to 3 and posting victories over Patterson, Massey, Herman, Commerce, and Assumption.

This is the second straight year that Herman has defeated our boys in the semi-finals. But wait until next season.

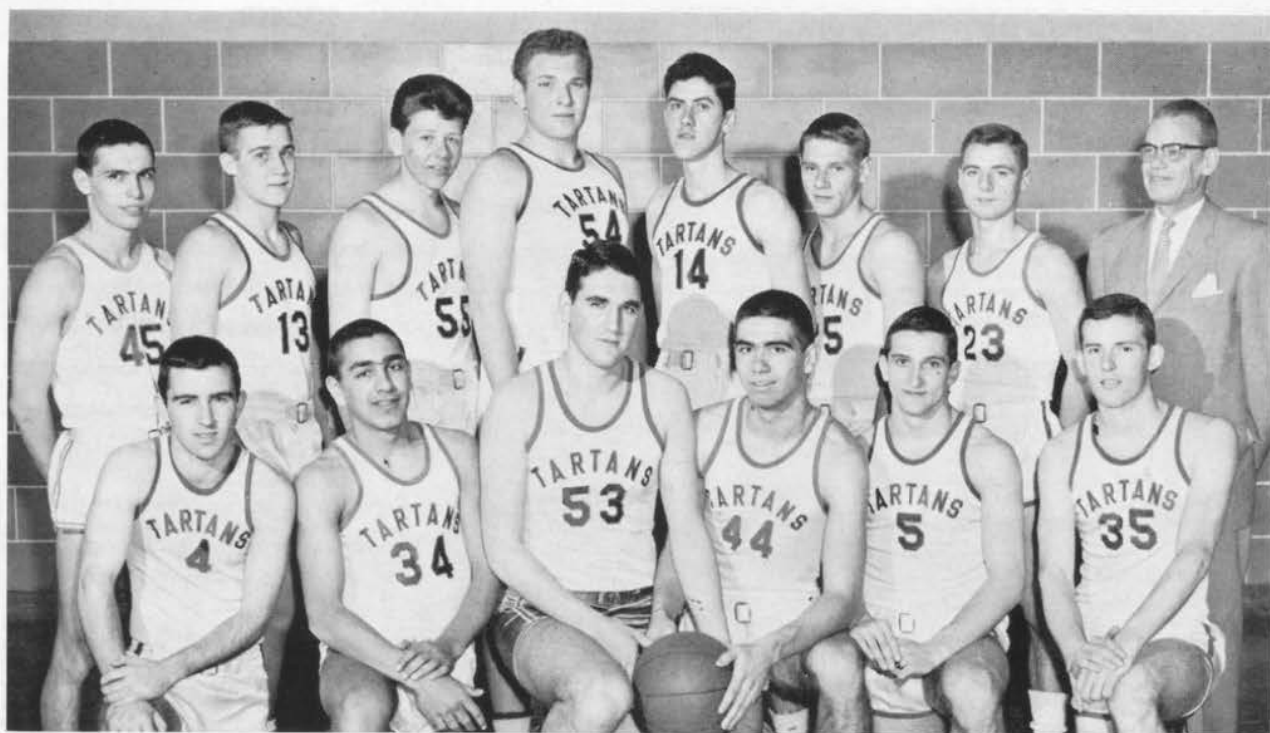

The team this year was again ably coached by Mr. William Young who wants three things next year—new uniforms, more spectators and a championship squad.

JUNIOR BOYS' BASKETBALL

Back Row: Mr. Kinnin, Doug Stewart, Ken Lowry, Don Routliffe, Tom Baker, Jim Gray, Ron Reardon, Bob Dafeo, Keith Ferguson, Ernest Clifton, Warren "Rusty" Wright, Ron Shulgan, Stan Yukanovich.

Front Row: Mr. B. W. Brown, Don Brown, Willie Mlack, Chad Murray, Jerry Kwapisz, Joe Robich, John Mahon, John Palko, Mr. M. Karcz.

SENIOR BOYS' BASKETBALL

Back Row: Gord Stewart, Wayne Wright, John Zdrahal, Leonard Chop, Tim Litster, Frank Bellavy, John Cmar, Mr. I. Allison.

Front Row: Mike Weeks, Ron David, Tom Kilpatrick, Paul Newman, Bill Gala, Bob Beneteau.

JUNIOR BASKETBALL — W.S.S.A. AND W.O.S.S.A. CHAMPS

Under the coaching of Mr. Karcz, the Junior Tartans won the W.S.S.A. and W.O.S.S.A. Championship for the third consecutive year.

The Tartans finished in the W.S.S.A. league with a perfect 10-0 record once again. A close finals game at St. Denis Hall proved a real thriller. But, as usual, the team pulled away in the remaining two or three minutes of the contest to defeat London's Beck 45-42.

The deadly set-shots of John Mahon, Willy Mlacak, and John Palko, aided by outstanding rebounds of Joe Robich, Don Brown and Chad Murray added to the success of the team.

The members of the team wish to express their thanks to Mr. Karcz for his fine coaching.

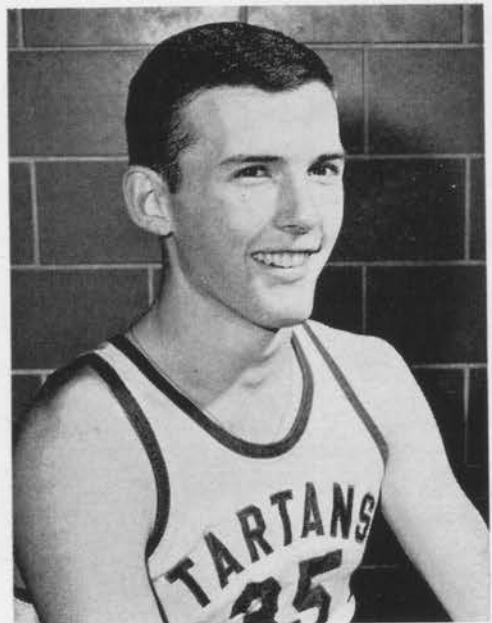

ALL-CITY CHAMPIONS

This year Walkerville was fortunate in having two boys added to the list of "All-City Champs." Jack Cowin made the first string on the all-city football team. (see page 34), while Bob Beneteau scored for the all-city basketball team. Walkerville is proud of these two fine athletes and wishes them the best of success in the future.

SENIOR BASKETBALL

With Paul Newman, Mike Weeks, Ron David, Wayne Wright and Gordy Stewart returning from last year, and Tom "Killer" Kilpatrick, Bill Gala, John Zdrahal coming up from juniors along with Bob Beneteau from Assumption the Tartans had one of their better teams in recent years.

After battling Herman, Assumption, Massey, Forster, Corpus Christi, and Lowe twice Walkerville entered the W.S.S.A. semi-finals and defeated Patterson in the first round. The following week the Tartans played Forster for the city championship and lost by one point in an exciting game. Entering the W.O.S.S.A. playdown in Windsor the senior team trounced London Catholic Central and then in the finals lost to Forster again.

SWIMMING TEAM

Third Row: Jim Young, Peter Smith, Doug Woodall, John Gauthier, Mr. Waddell, Mr. Orr.

Second Row: Dean Holmes, Craig Hall, Bob Meredith, Preben Andersen, Paul Corbett, Bob Dafee.

First Row: Mike Nenadovich, Jim Macdonald, Tim Dewar, Ian Hooley, Barry Smith, Mike McKillop.

SWIMMING

Our swimming team this year was not as successful as it was hoped to be. We had two excellent coaches this year in the persons of Mr. Waddell and Mr. Orr. Mr. Orr came out regularly every Monday and Friday mornings at 8:00 a.m., so that the boys could have about a half hour of practice. They also practiced every Tuesday and Thursday after school. The team unanimously agreed that next year they should start practicing earlier. Here are some of the results:

Junior:

Ian Hooley —50 yard free style—1st (record).
100 yard free style—1st (record).

Scott Cowan—50 yard backstroke—4th.

Craig Hall —100 yard breaststroke—6th.

Senior:

Mike McKillop —200 yard freestyle—5th.

Freestyle Relay—McKillop, Young, Smith, Anderson—4th.

Lynne Trophy—Ian Hooley (Jr.—fastest), Preben Andersen (Sr.—fastest).

INTERFORM BOYS' BASKETBALL

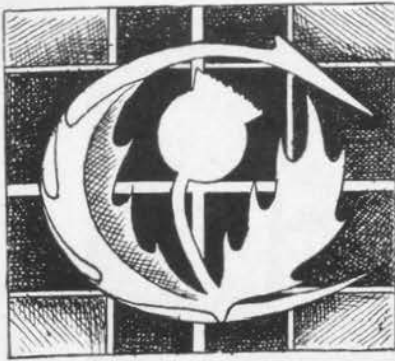

The basketball schedule was incomplete at the time of publication, but all the classes supported the league with a good representation and helped to make the tournament a success.

TRACK AND FIELD

The students once again are practicing for the annual track and field meet. Walkerville, as in previous years, hopes to do well in both the city meet and also the W.O.S.S.A. meet in London, to be held on May 20. With the promising athletes we are producing, Walkerville should certainly walk away with several ribbons.

ADET

news

TO THE CADETS, OFFICERS AND INSTRUCTORS OF No. 1086 W.C.I. CADET CORPS:

Why are we required to take cadet training in high school? What use is it? Every cadet asks himself these questions at least once during his four years as a cadet.

We can readily see the value of courses in first aid, signalling and bandmanship. In the officer training classes, young men learn how to give orders by first learning how to take them. But, you say, why does everyone have to march around so much on the dusty campus in preparation for a parade which may last no longer than two hours?

You may have noticed that these remarks are addressed first and foremost to the cadets. That is, YOU! The instructors are very important but without the cadets, themselves, there would be no point at all to the whole cadet movement. It is the individual cadet who makes or breaks a cadet corps. Walkerville cadets have always been known to have a strong feeling of pride and sense of responsibility for their cadet corps.

This "esprit de corps" has made my task this year of commanding our corps a very pleasant and not-to-be-forgotten experience for me.

May I express my thanks also to Major Allison, his staff of instructors, and my fellow officers for a job well done.

C/Lt-Col. GEORGE R. SERVICE

CADET OFFICERS

Paul Corbett, Gary Waterman, Gary Dowdell, Franklin Hougohn Pelton, Tom Baker, Tim Laird, David Goodbrand, Ross McKenzie, Bill Fedchun, Bill Nicholl, Peter Smith, Bill Service, David Mephram, Jim Brien, Dave Service, Frank Walton, Marten Brodsky, John Smith, George Service, C.O., John Torau, Karl Fetter, Art Stoyshin, Wayne Beneteau.

OFFICERS

George Service is commanding the Walkerville Cadet Corps this year. John Torau is second in command this year. The officers are looking forward to the annual Military Ball to be held May 5, as well as the Inspection at which all can be counted on to do their best to make it a real success.

OFFICERS' MESS

Walkerville Collegiate shares the distinction of having a Cadet Officers' Mess with few, if any, other high schools in Canada. The President is John Torau, Secretary is Karl Fetter, Vice-President is Robert Boyd.

N.C.O.'s

Both Junior and Senior Non-Commissioned Officers are a familiar sight as they practice several nights each week in the old gym.

The emphasis is on letting each boy command a platoon for several minutes each night. These grade 9 and 10 boys will be the Cadet Corps' future officers. The training received will be valuable in all phases of later life.

SIGNAL CORPS

There has been a good turnout this year to the signal classes according to Mr. Hitchcock. The classes are held between periods 5 and 6 in room 331. New ceiling lights and a wall plug have been installed in the signalling room this year.

It is hoped that there will be a large number qualifying for their certificates and prizes at the spring inspection and an equally large turnout next year.

FIRST AID

Approximately 140 grade nine boys are studying to receive Junior First Aid Certificates. The Cadet branch of the W.C.I. First Aid Corps was standing by to render any help needed at the Annual Inspection. Some 14 senior students are taking instruction in the phases of First Aid required for other awards. Mr. William Young is again providing excellent direction for those interested in this phase of cadet life.

PIPE BAND

Back Row: George Kidd, Ken Wilton, Doug Woodall, Doug Copeman, Doug Gordon, Steve Kasun, Bob Irwin, Warren Ritchie, Paul Smith, Jim Brown.
First Row: Bill Fairlie, Mark Moncur, Pipe Major Jock Copland, M.B.E., Charles Meanwell, Mike Kelly.

PIPE BAND

The summer of 1960 proved to be one of pleasure and toil for the fourteen members of the W.C.I. Pipe Band.

The band was most fortunate to be chosen from among all the other cadet pipe bands in the Central Command to represent this command at the National Cadet Camp in Banff, Alberta.

We arrived at the C.N.R. station in London, Ontario in the late hours of the morning of July 5 to begin a two week training course at Wolesley Barracks. The two week stay there marked the beginning of lasting acquaintances with the one hundred other cadets from every section of Ontario. The London stay passed quickly. After the passing-out parade at Ipperwash Cadet Camp, preparations were made for the trip to the West.

Lt. Colonel D. C. O'Brien was the officer in charge of the cadet battalion at Wolesley Barracks.

We left for Toronto from London and after a great deal of registration, boarded the train to Banff. Before long, we arrived at the camp in Banff, located at the foot of the renowned Cascade Mountain in the Bow Valley. It was quite an experience to find oneself surrounded by mountains.

Our main role in Banff was a means of publicity of the camp and of the cadet movement itself in Canada to tourists coming from all over the globe. We must have achieved that aim for during the three weeks we performed at the following places: Banff Springs Hotel, The Banff School of Fine Arts, The Banff Administration Gardens, The Banff Hot Springs, The Cave and Basin, Banff Park, The Mt. Norquay Chair Lift, a Sunday Church Parade down the main street of Banff, Lake Minnewanka, Lake Louise, and Emerald Lake, B.C.

For the camp itself, the syllabus consisted of reveille at 6:30 a.m. and the retreat ceremony at 7:30 p.m. in full ceremonial uniform. After this was completed, free time was granted to do as we wished.

One evening at the camp was very special as a cadet honour guard and the band performed for the top dignitaries of Alberta and British Columbia. Afterwards, three pipers and a drummer were summoned to the officers' mess for further entertainment of the guests. This so pleased Senator Cameron, head of the Banff School of Fine Arts that the four of us were invited to see the opera "Die Fledermaus".

Perhaps the greatest thrill was the visit of our instructor Pipe Major Jock Copland, M.B.E. Since he had served in the war with the commanding officer of the camp, he was well accommodated.

The three scheduled weeks in Banff passed rather quickly and before long we were on our way home.

The head of the W.C.I. Guidance Department, Mr. A. C. Brown, who holds the rank of captain, acted as officer in charge of the band for the five week course.

The Walkerville Cadet Trumpet Band again under the direction of Mr. A. C. Brown continues to be perhaps the only R.C.A.C. band in this area using valve trumpets.

This year a large number of grade 9 boys have accepted instruction on trumpets or drums and it is expected that a band of 28, led by Fred Wilkinson, will appear at the annual Inspection.

1960 INSPECTION

Last year's inspection was one of the best in recent years. We were honoured to have as our Reviewing Officer, Brigadier F. A. Clift, General Officer Commanding Western Ontario Area. The Inspecting Officer was the Western Ontario Area Cadet Officer. Pipe Major Bill Fairlie won the Bryn Davies Memorial Trophy for the Best Cadet.

It is hoped that more grade 9 and 10 boys will take advantage of the rifle range facilities next year.

Under the direction of Mr. Allison and Mr. Karcz 149 students have earned Crossed Rifles and Crown badges and 138 students have earned Crossed Rifles Badges.

With excellent marksmen from grade 9 coming this year, we are looking forward to excellent rifle teams for years to come at Walkerville.

Results: Ontario Rifle Association—team average 93—placed 20th out of 56 competing teams. Ivan Soroka receives ORA Crest for shooting 98.

220 shots have been entered in the Youth of the Empire competition this year by W.C.I.

PUBLIC SPEAKING REPORT 1961

Congratulations to all those who entered our public speaking contests! We had a good representation from the junior school but not as good as we would like from the seniors. The junior winners were Bonnie Storrey and Charles Meanwell. The seniors were Grace Robertson and Doug Woodall.

A message of congratulation is also due to Gladys Manser who was our representative in the Industrial Accident Prevention Contest. Gladys was the winner also in the group B preliminary contest held at W. D. Lowe Technical School.

In the Ontario Ratepayers' Association contest sponsored by the Ontario Hydro, Richard Pillsworth was the winner in this school.

Come in again, all of you, and let us have more representatives from Grades 12 and 13!

CHOIR

The choir welcomes Miss Hazel Solomon as its new director this year. Not only do we have a talented instructress but also an accomplished accompanist, Barbara Boughner. Our important venture this year is to compete in the Windsor Kiwanis Music Festival where we intend to specialize in the three part harmony of Tschaikowsky's "The Nightingale" and "Let Every Heart be Merry" by Veccki. We enjoy participating in assemblies also and hope to continue this practice.

ORCHESTRA

The concert orchestra has had a very successful year under the capable direction of Mr. Bruce Curry. The orchestra was the biggest and probably the best in recent years, with some 52 members.

The orchestra has played at exercise assemblies and many other assemblies in which the audience joined in singing. An example of this was the Christmas assembly.

The main feature of the year was a trip to London, on February 2. The orchestra left Walkerville at 8 in the morning and arrived home at 1 the next morning. It played at three schools and will have a return visit from Beal Tech.

ART CLUB

Under the capable leadership of Miss Latimer, the Art Club has had a very successful year. From a very large turnout of members at the beginning of the term, a fair-sized group has developed, the participants of which regularly attend the meetings. The club's main project this year was a 96 foot mural which was displayed at the Gambler's Gambol. Cadet posters were also made, the chief work on them being done by Warren Ritchie. The Art Club executive consists of Grace Robertson as president, Joyce Purton, Janet Fisher, Margaret McPhail, and Alan Parkins as errand boy.

Second Row: Jerry Grant, Eob Atkinson, Robert Snayko
First Row: Sandy McMahon, Steve Kasun, Sherry Meloche, Mr. McLeod.

CAMERA CLUB

Steve Kasun is the president of this year's club. Our meetings are held every second Wednesday under the guidance of Mr. McLeod. The members of the club helped at the pop concessions at the dances to help earn money for supplies. Anyone interested in photography is cordially invited to join the club next year.

SCIENCE CLUB

Mr. Sparling, Alan Gold, Marg-Anne Monck, Richard Winterburn, Ann Gorek.

SCIENCE CLUB

This year, under the direction of Mr. W. A. Sparling, the science club of Walkerville was started. Late in January, an executive was elected. It consists of Richard Winterburn as president, Mary Ann Monck, Anne Gorek, Allie Gold.

It was arranged for the members of the science club to visit Essex College while exhibits were on display and it proved to be very interesting and enjoyable. A trip is planned to visit Cranbrook Institute during the Easter Holidays. Many of the club members have also entered a wide variety of projects in the Science Fair.

Although a large number of students from all grades show up every Thursday after school, it is hoped that even more will get the "bug" and join next year.

PEP CLUB

Joanne Liddell, Joan Greenhow, Carole Ingalls, Pat Byrne.

PEP CLUB

The purpose of the Pep Club was to promote school spirit. Walkerville pennants were sold to help raise money. Many posters were drawn to attract more students to the football and basketball games. A large "W" flag was also made. This year's executive was composed of Joan Greenhow, Carole Ingalls, Pat Byrne, and Joanne Liddell. Mrs. Lawson was our sponsor teacher.

SENIOR DRAMATIC CLUB

Sheila Cowan, Miss Robbins, Mary Ellen Reid, George Service.

SENIOR DRAMATICS

The Senior Dramatics Club presented "The Rehearsal", February 3, 1961, for the Senior Assembly in place of our annual production due to the lack of interest and male participants. The roles of Macbeth and Lady Macbeth were well played by Sharon Sanderson and Crystal Clay respectively. The producer, Margaret Macdonald, and the director, Gail Bradley, ably supported the main characters. Others participating were Lili Shery, Gladys Manser, Sheila Cowan, Mary Ellen Reid, Cathy McKeon, Barbara Cotton, and Sue Clouse. We wish to thank Miss Robbins for her continued interest and support and wish the future Dramatics Clubs greater success in the years to come.

JUNIOR DRAMATICS

Pamela Spence, John Callard, Mr. Spalding, Prudy Litster.

JUNIOR DRAMA SOCIETY

On February 3, a one-act play called "Shakespeare Streamlined" was performed for the junior assembly. The play starred Ray Chodinski as Shakespeare with a supporting cast of Carolyn Whitehead, Prudy Litster, Pat Nolan, Pam Spence, Lynn Cape, Joan Pepper, Najma Hasmam, Lloyd Grahame, Don Routliffe, Ron Shalgan. The play was one chosen by Miss Robbins, with the surprise ending developed by the junior society itself. The highly successful Shakespearian costume for Ray was made by Mrs. Monger, and her efforts were appreciated by everyone. Also the juniors were aided in such ways as make-up, staging, and curtain control, by the Senior Society under the direction of Miss Robbins.

The executive was composed of Prudy Litster, Carolyn Whitehead, Ray Chodinski, and the sponsor teacher and director was Mr. John Sparling.

WINDSOR HIGH SCHOOL SCIENCE FAIR

The 1961 Science Fair was an exposition of science projects developed and built by the students. The objects in view were to stimulate interest in various fields of science among students and to give proper recognition to these talented young people.

Walkerville students worked hard through the months of January, February, and March on their projects. As a result of the judging, Walkerville won many top honours. To mention a few, Janice Fisher and Gwen Jenkins took a first in the field of physiography, while Ron Apedale won a third with his ovarian hysterectomy. These three lucky students will represent Walkerville at the All-Ontario Science Fair at Toronto during the Easter holidays.

JUNIOR ACHIEVEMENT

Junior Achievement is an educational Programme whereby students 15 to 19 years of age learn the fundamentals of the free enterprise system.

Junior Achievement is spreading quickly throughout Canada and the Windsor programme is considered the most developed and best organized in Canada. This year over 400 Achievers are operating 22 miniature companies. There are two service companies, The Bank of Achievement and Jabco (the J.A. Broadcasting Company) which puts commercials on CKLW Television. The achievers produce and sell items such as hand lotion, pen sets, jewellery, oven mitts, and artist's pallets.

Junior Achievement also provides social functions namely the J.A. Prom, a Basket-Hop and the Future Unlimited Banquet. Ask any of the 56 Walkerville students who are actively participating in the programme and you will discover that Junior Achievement is enjoyable, educational, and rewarding. Why don't you join Junior Achievement and let it help you and your future?

ASSEMBLIES

This year several talent assemblies were held to brighten up the day for the students. The highlight of one of the senior assemblies was "Superman" Mahait's spectacular leap from the balcony to the main floor... by a rope.

The year of 1960 was closed with a Christmas assembly at which Santa Claus Moodrey arrived. He had gifts for everyone; among them was a live rabbit for the biology teacher, Mr. McLeod.

A Remembrance Day assembly and an Easter Assembly were held where the entire school felt an air of reverence. The orchestra performed at both of these.

Also, this year the opening exercise assemblies were continued. The juniors gathered in the auditorium on Tuesday morning; the seniors, on Wednesday morning. At these assemblies, the orchestra and choir both performed several times.

THE SECRETARIES

Once again the Blue and White Staff would like to thank the two secretaries, Barbara Anderson and Zilda McKelvie for their assistance which was sincerely appreciated. A few of the important jobs they carried out for the staff this year are the printing of the graduation forms, the patrons' ad forms, and the typing of various letters which were sent out.

THE MAINTENANCE STAFF

This year's Blue and White would like to take this opportunity to thank the maintenance staff for its valuable assistance. Miss Speers, Pete Karlechuk, Robert Green, and Vic DiPietro all helped to set up the benches for group pictures. We thank them for the help they have given us with the odd tasks around the school.

STRATFORD TRIP

In September 1960, many students from Walkerville boarded the train at the Windsor station on their way to Stratford to see the Shakespearean play "Romeo and Juliet". When they arrived in Stratford, two hours were spent in sight-seeing, and then it was time to go to the Theatre. Everyone enjoyed the play and after the performance, a question period took place. At 6 o'clock, the students once again boarded the train, and after a three hour trip, they returned to Windsor after a very strenuous but enjoyable day.

UNITED NATIONS TRIP

This year, as every year, one student from each of the Windsor High Schools was chosen to represent his school on a trip to the United Nations. On October 19, I along with 9 other fellows boarded a plane for a 4-day stay in New York. Mr. Pophey, a teacher at Lowe Vocational School was the chaperone.

At New York, we Canadians were well pleased that our country, Canada, is so well thought of in the current affairs of the world. We were treated very well. Two of the speakers whom we heard were Mrs. H. Steen, from the Maritime Provinces and Mr. Mathieu, a representative from Quebec.

Later at a school assembly, I showed some slides which were typical of life in New York. Some were sight-seeing pictures; others of the United Nations Buildings themselves. I hope that these pictures helped you to relive with me my visit to New York. I would also like to thank my fellow grade 12 students for choosing me to represent them at one of the largest cities of the world—New York.

FRANK ILIJANIC

INTER-SCHOOL CHRISTIAN FELLOWSHIP

The inter-school Christian fellowship is an inter-denominational group, meeting every Wednesday at 3:30 in room 211.

Several anti-Christian ideologies are today plaguing the democratic world systems; therefore it is most important that free nations maintain their Christian standards. Because the high schools consist of tomorrow's leaders, the I.S.C.F. functions to carry out its motto: "To know Christ and to make Him known".

The meetings this year have dealt mainly with the teachings of Christ through the Gospel of Luke and have been related to modern times to show how they pertain to the student. Missionary speakers have appeared at the meetings from various areas of the globe. A week-end camp with other I.S.C.F. groups and various social functions have kept the neighbouring fellowship in close contact.

Those wishing to attend next year's group are warmly invited and guaranteed that their time will be well spent.

W.S.S.Y.A.

This year the Blue and White took an active part in a new group which was organized in this city, The Windsor Secondary School Yearbook Association. Although this group has only met five times, we at Walkerville feel it has been an added help to us. The W.S.S.Y.A. membership is made up of the officers of the Secondary school magazines; their main purpose is to find ways in reducing production costs and increasing the standard of the book and also find new ideas to make the books more attractive. All of us on the Blue and White would like to see all schools associated with this association.

□ □ □ SOCIAL EVENTS □ □ □

The Walkerville social season began on September 7, 1960 with a mass reunion of all the returning students in the main hall. Everyone was glad to be back and many tales of exciting summer adventures were traded before the first bell rang. In the days that followed the "old grind" of homework and studying became general routine again.

Many of the Grade Nines got official initiations during the second week of school when each class was assigned a page in the Informer to memorize. Senior students had the right to impose penalties on any freshmen who were not able to recite their required page. Naturally it was not an unusual sight to see younger students wearing odd socks, blouses backwards, and performing extraordinary deeds for the seniors. The week ended happily for the juniors though, as they got priority at the "Get Acquainted Dance" by only paying ten cents admission.

The football season was soon upon us and Walkerville had large and spirited crowds at all the games. The team provided plenty of excitement for all who attended.

During September and October there were sock hops and then the annual Hallowe'en Dance with costumes and weird outfits. With November came the usual enthusiasm of the Gamblers' Gambol. It was held on the 11th and many couples enjoyed dancing to the music of Wally Townsend's orchestra in the new gym decorated in a Mardi Gras theme.

Exams came quickly and brought an abrupt halt to all social activities until December 10 when the "Blue and White" sponsored a sock hop. The dance featured the Los Trinitados Calypso group from Assumption University. Their many songs sung in a Harry Belafonte style were thoroughly enjoyed.

Christmas holidays arrived along with the graduation. On December 22 parents, friends, and graduates poured into the auditorium for the memorable event. It was a very successful evening with Bruce Laird as Valedictorian and Trevor Collier the class historian. After the ceremonies, acquaintances were renewed at a dance featuring Ken Brown's orchestra.

The new year brought the all-important basketball season. Every game was attended by many avid Walkerville fans who followed the teams as they advanced to the finals. The gym served a double purpose at home games as there were always sock hops afterwards.

Directly after the basketball season everyone took time out for Easter exams. On March 17 the Agora sponsored a Red Feather Dance. Admittance was determined by everyone's weight and the proceeds went to the Red Feather Fund. Needless to say there was quite a bit of dieting during that week.

Activities Night is scheduled to provide excitement during the Easter vacation.

As usual the grand finale to the Walkerville Social Whirl will be the Military Ball which will be held May 5. Reflecting back to the Military Ball of 1960—to the skirl of the pipes the grand march was led by C/Lt. Col. John Park and his lady. The evening was enjoyed by all who attended and now everyone is looking forward to the big event of this year.

As the 1960-1961 school year draws to a close there is no doubt in anyone's mind that it has been a huge success and has provided fond memories for all.

REDDENED SNOW

SENIOR FIRST

by BOB MEREDITH, 12A

Hans Schreiber paused as he neared the barbed wire fence surrounding the concentration camp. He threw an anxious glance behind him, fell to the ground, his head pressed close to the icy earth, and trembled. The bright searchlight beam approached ... passed ... he was still safe.

This house of horrors for almost a year now had held Hans prisoner. His taut face, his bony limbs both revealed the effects of the harsh, inhuman treatment he had endured. As he remembered these things he asked himself how the commandant could have expected any of the inmates to survive on the handfuls of rancid food, if it could be called food, which were periodically distributed. Hans, however, could not have known that it was the commandant's orders that none were to survive the winter. A bitterly hard winter it was, too.

The prisoners were not the only ones hit hard by this uncommonly cruel winter. A shivering tribe of half-starved wolves which hardly deserved to be called a "pack", as one usually considers it, had also felt the fangs of death which hit many in their ranks.

Fate had sent them out this cold November morning, hunting for some kind of nourishment. Their usually scarce meals, sparse as they were, were

occasionally augmented by some unfortunate prisoner making a futile bid for freedom. The broad, thick shoulders of one wolf clearly pointed him out as the leader. It was he who raised his nose to the heavens, searching for some indication of life which could mean food, and to them, survival.

Hans inched his way under the humming wires whose electricity could kill as quickly as any gun. Crouched, trembling, he was fifty feet from the hanging evergreen forest and safety. Did I say safety? The safety he saw was certainly a very false one.

While Hans was seeing his escape unfolding, a cunning brain, deep in the woods, was planning an escape from starvation.

"Finally!" The sound was scarcely audible as it escaped from Hans' throat. Oh, but the air tasted so wonderfully free to him. Yet he could not linger to enjoy it. He dove headlong into the woods, unaware of the sharp branches lashing his face ... stumbling ... crawling ... gasping for breath ... forever onward. His eyes bulging from the strain, his heart pounding, Hans groped through the dull, cutting shadows.

Nearer now, another throbbing heartbeat pounded, that of a wolf bounding over the snow.

Hans turned with a start. "No!" he gasped.

The first wolf leapt.

by JOHN GURAL, 91

I felt alone in the world as I walked along through the variegated leaves. I glanced around to see more and more leaves endlessly gliding and twisting from the heavily-laden trees to the dark, bitter earth. It seemed as if the beautiful green trees of the summer had grown old and weary, and could no longer bear the weight of the leaves. They tried every way possible to shake them to their cold bed on the ground.

I continued along slowly through the park, retiring retrospectively into almost forgotten memories. I thought of the summer past when life was so enjoy-

able. I thought of the lively picnics we had in the park, the carving of our initials in the tree, the childish chasing of one another from tree to tree. Still gazing at the forlorn scene I retired a little further in my memory to spring with all the trees with bursting buds. I thought of my first prom and the wonderful time I had—she was so very charming, my first romance.

I trudged along the rest of the way to the park entrance, rustling the leaves every step of the way. I turned, once more to look at the leaves on the ground and at the ones still clinging with undying hope to the trees, and determined to return once more before Winter spread its white blanket over all.

"MEMOIRS OF A COLD"

SENIOR SECOND

by BARBARA BOUGHNER, 13B

As I sit here, a nearly empty box of Kleenex beside me, my wastebasket full of used tissues, my thoughts turn to . . . But wait! Before proceeding further, I feel I should explain the nature of my affliction. I am the unhappy victim of acute catarrhal affection of the respiratory mucous membranes—I have a cold.

It all began at a party last weekend when I met a friend whom I had not seen for several months. We spent a great deal of time exchanging gossip, and, as I discovered later, germs; for *she* had a cold.

At five a.m. the following morning I awoke, throat sore, head aching, the none-too-proud possessor of a thriving colony of germs. Groggily I made my way to the washroom, gargled some vile-tasting medicine, swallowed an aspirin and stumbled back to bed. I term this the evening and the morning of the first day.

At school, classmates commented on my rosy cheeks, asked if I had walked in the cold air. I was not flattered. I had not been walking. I had a fever. By dinnertime I had a congestion of the nasal mucosa with complete occlusion of the nostrils—I couldn't breathe! Homework was interrupted by frequent excursions to the medicine chest. Soon a line of bottles stretched from one end of my desk to the other. A visitor might have guessed I was about to engage in the pharmaceutical business. I sprayed with ephedrine hydrochloride, inhaled benzedrine and menthol, downed the full quota of aspirin—and felt *miserable*. That night

the coughing began. Thus passed the evening and the morning of the second day.

My germs, now thoroughly acclimated, established a base of operations in my throat. Then began a never-ending game—they tickled and I coughed. Sneezing commenced shortly after that. Now this was to me the *supreme* insult! Here were *my* germs, with a perfectly good, warm, comfortable place to live in, and *they* wanted to leave! They seemed to have become infected with a "Go West, young man, go West" sentiment. Go they did. North, south, east, or west, the only way out was up. Up they came—restless, wayward delinquents, seeking to get away from the crowded conditions prevailing in my throat. I fought the mass exodus with every resource available—I held Kleenex in front of my mouth, gulped every conceivable type of medicine. Please don't misunderstand me! Nothing could have made me happier than to bid each and every one a fond farewell! However, I realized that in their headlong flight they might encounter another member of my family, and decide to take up a new residence. There was a distinct possibility of incurring my parents' wrath in this way.

So have passed the evenings and the mornings of this week . . . But now, dear readers, I must go, for they do not die without a fight, my germs. I feel them regrouping for a last stand. I am ready, weapons poised. The medicine goes down, and I can almost hear the cries of anguish as they retreat, beaten, the end near. Science has triumphed again!

THE CODE OF THE SEA

JUNIOR SECOND

by JIM LUTZAC, 9H

The cold dark sea was wild with fury, unmercifully smashing the ship to pieces on the jagged reef. There was great panic, with shrill screams of many women and children, stumbling and crawling to the lifeboats across the slippery weatherbeaten decks. Frantic men were going insane trying to locate their families and lead them to safety. Huge white-crested waves lashed violently over the ship, almost totally

submerging it at times. Gale winds whipped ocean spray through the air, while forked lightning flashed, and thunder boomed. No one knows how it happened—how one lone man made it to the beach, through the spiny-sharp coral and the pounding surf. The sole survivor was found by some fishermen and the whole scene, dark and terrible, must still haunt his mind because the events of the night could not be reproduced by his soundless lips.

GROWING PAINS

SENIOR FIRST

by JANET FISHER, 11A

Not soon enough we reach our teenage years,
And then the tumult hidden in our hearts
At length breaks forth as now adulthood nears,
And thus our fight for independence starts.
We strive to manage all our own affairs;
We set our minds, and on our way begin,
Not heeding warnings of awaiting snares,
But though we oft fall back, at last we win.
And thus we see a nation new arise,
To try to break her bonds with Motherland,
But she too finds it hard to reach her prize,
For oft great obstacles before her stand.
But keeping faith she gains the crown she craves.
And so her page of history engraves.

FAITH

SENIOR SECOND

by ARTHUR PELTON, 12A

Since life must end,
We all defend
A feeble vain belief,
That since we'll see
Eternity,
There is no cause for grief.

The setting sun,
When day is done,
Will rise again we say;
Death does not cause
Despair, because
Once more we'll see the day.

But night draws near,
And then we fear
That our poor faith will fall;
When twilight's past,
Life will not last;
Death triumphs over all.

A FALLING STAR

JUNIOR FIRST

by FRED GUTEKUNST, 10D

Way up there in the sunless sky,
We see the stars go marching by.
Continuously they shine at night,
And give this earth a little light.
They sparkle and twinkle in the dark,
Each looking like a golden lark.
There they stand out in the cold,
Slowly getting so very old.
Soon their twinkling light will stop
And slowly from the heavens they'll drop.
Man will need no more their light
For he has developed other might.
Nuclear power has begun,
Taking its energy from the sun.
It lights his cities, drives his cars,
Flies his rockets, which will go to Mars.
Destroys the world with a single blow,
If ever man would let it go.
The earth would rest, all life would cease,
Because man wouldn't live in peace.

JUNE AGAIN

JUNIOR SECOND

by CARALLE CHRISTIE, 9I

Once again the setting sun,
Showed us all that day was done.
Over lakes it brightly shone,
Over brooks and meadow pond.

And through all the quiet night,
Others saw the lovely sight.
The golden moon made all the bay
Gleam as though it were midday.

When the sun arose at dawn,
O'er dew-tipped flowers it softly shone.
It said to children, "Come and play,
In my pleasant, warming ray."

Now eventide has come at last,
Our glad and happy day is past;
In the sky the glimmering moon,
Seems to say that this is June.

EXCHANGE

The purpose of exchanging yearbooks is to avail new inspirations to both parties. From the comparison of the coverage in style and composition we hope to issue a more enlightening yearbook. We wish to thank all the schools that sent us their yearbooks and also we wish to congratulate them on their excellent editions in 1960.

THE REPORTER of Assumption High School compiled a book which contained previous editions of their school paper. It contained a complete coverage of all school activities.

THE ADELAIDE TECHNICAL HIGH SCHOOL of South Australia listed their grads under the heading "Who's Who?"

THE HOLT SCHOOL MAGAZINE of Liverpool carried excellent literary and poetry sections.

THE BUGLE of Calgary, Alberta had a complete coverage of the numerous school clubs.

THE ROYAL YORKER of Toronto carried a new and different approach to class news and grads.

THE SAGITARIUS of Aden Bowman Collegiate in Saskatoon, Saskatchewan covered sports activities in great detail with excellent photographs.

THE BROWN AND GOLD ANNUAL of Nova Scotia featured a French literary page which was well done.

A PERIOD IN ENGLISH WITH 9B

This class is composed of laughter, curiosity and suspense. First, it's Popp's turn, always in trouble. Hope, Fosterovich, Brisson, Beckett, Chicola, Hawkins, Dawser, Ford, Kwapus (top in our class) are the quiet type. MacPhail, MacCall, MacCullum are what we call the string of Irishmen. Beckanorff came to school with blonde hair and the next day with black hair. Donaghue and Magda are always waiting for

their boy friends to walk by. Glasford and Overmont are always talking—we're beginning to wonder. Shanbaum, Saunders, Tickell, Harris, are living in a boy's corner with Twerdun (Shirley). Indzeoski and Szeryk are always saying psst. to get each other's attention. Klinck has more time for pool than school. Pere, Caza, Barrett, Reed, Robbins are a group of talkers. Karoll and Snyder are quiet ones. Stump is the fussy type.

Opening more doors to opportunity

A university education is the key that opens doors to better employment opportunities and the chance to build a successful career.

Many students with ambition and outstanding ability are unable to attend university because of lack of sufficient funds. In 1955, the seven General Motors companies operating in Canada put a university education within reach of some of these students by setting up the General Motors Canadian Scholarship Programme.

Twenty five scholarships are awarded each year and, up to the present, 172 students have received awards ranging in value to \$2,000. The choice of one of 14 universities and of faculty rests entirely with the students and their advisors. An equally important part of the GM Scholarship Programme is the allocation of funds to the universities themselves to help maintain and improve the quality of education.

General Motors, through its Scholarship Programme, helps many deserving students develop their capabilities to the full—thus preparing them for the important part they will play in Canada's future.

Applications for General Motors Scholarships should be directed to the Registrars of the following participating universities: *The University of Toronto; the University of Western Ontario, London; Queen's University, Kingston; the University of Montreal; the University of Manitoba, Winnipeg; the University of British Columbia, Vancouver; the University of Saskatchewan, Saskatoon; the University of Alberta, Edmonton; Dalhousie University, Halifax; the University of New Brunswick, Fredericton; Laval University, Quebec City; McGill University, Montreal; Memorial University, St. John's, Newfoundland; and McMaster University, Hamilton.*

of the future*

Ford of Canada encourages young people in their search for education.

Over the past seven years, 41 university scholarships, each for a four-year course at a recognized college or university in Canada, have been awarded to sons and daughters of Ford employees.

Ford of Canada helps support youth programs including the very successful 4-H Clubs. As well, teaching aids and educational motion pictures are made available to Canadian schools, and, in many communities, our dealers participate in High School driver education projects.

Ford of Canada is proud to be associated with many educational activities, because we believe that a sound education is the best preparation for the challenges and opportunities of the future.
